

Marquette Cheerleading Program

Participant Financial Obligations

Program Purchased Uniforms

The following items are provided by Marquette High School. These items will be issued prior to cheer camp. These items must be returned prior to tryouts for the next school year. The cheerleader is responsible for the care of each item issued. Any alterations must be approved by a coach IN ADVANCE. If an item is not returned or it is damaged, the cheerleader is responsible for the expense of replacing the item. Families are responsible for dry cleaning program owned uniforms at the end of the season.

Blue/Green Team

Shell (2)
Skirt (2)

JV Team

Shell (2)
Shell (2)

Varsity Team

Shell (2-3)
Skirt (2-3)

Camp Costs

UCA Camp - June 25-28 - UCA Masters Camp @ St. Louis College of Pharmacy - Approx. \$450-\$550

Notes

*If a cheerleader previously purchased an item and still has the item in good condition, one does not need to purchase a duplicate item (ex – jacket, pants, and bag).

- Exact pricing of clothing, camp fees, etc. will be available prior to the Uniform Fitting Meeting.
- Camp clothing is required for all cheerleaders, even those who do not attend camp. Items are worn for games, practices, fundraisers, school events, etc.
- Shoes and camp wear are purchased yearly.
- T-shirts and other spirit wear for various activities are also purchased throughout the year and are not always mandatory.

Additional Costs

- Summer Cheer Camp – Approximately \$450.00 – \$550.00 per cheerleader. If a cheerleader commits to attending camp and then does not attend, the cheerleader IS still required to pay for camp. Camp clothing is required for all cheerleaders, even those who do not attend camp. Items are worn for games, practices, fundraisers, school events, etc.
- UCA Regional Qualifier Competition – Approximately \$50.00 per cheerleader **plus** transportation and/or lodging. Rockwood will not offer any financial support for the UCA Regional Qualifier Competition. However, there will be multiple fundraising opportunities to help offset the costs for families. The decision for the Varsity Team and JV Team to compete in UCA Competitions will be considered annually by the coaching staff.
- UCA National Competition – Approximately \$1000.00 - \$1600.00 per cheerleader. Rockwood will not offer any financial support for the UCA National Competition. However, there will be multiple fundraising opportunities to help offset the costs for families. The decision for the Varsity Team and JV Team to compete in UCA Competitions will be considered annually by the coaching staff.
- Cheer Program Fundraising – All cheerleaders are required to participate in fundraising that will benefit the Marquette Cheer Program. This includes, but is not limited to, volunteering at the summer MHS Cheer Kids Camp. If a cheerleader fulfills their fundraising responsibility, they are not required to pay any “activity” fees. Cheerleaders may also have the option of doing a “buy-out” for other certain fundraisers.
- The MHS Cheerleading Booster Club (BC) supports many aspects of the cheer program under advisement of the coaching staff. This is accomplished through fundraising. Every cheer family is expected to meet a minimum fundraising commitment at the April Parent/Cheerleader Meeting. A variety of individual fundraisers as determined by the BC Executive Board will be offered or families may elect to "Check It Off" any time before the September 30th deadline. Estimated Activity Fee will be no higher than \$175 per cheerleader. Complete details, including the season budget and fundraising report, will be presented at the April parent meeting. In addition, all families are required to assist in large BC fundraising events as well. This includes, but is not limited to, selling a table at the Cheer Trivia Night, gathering donations, etc. If the Booster Club votes to forgo a large fundraising event, families will be expected to honor their Fundraising Commitment of approximately \$250 per cheerleader in addition to the Activity Fee. Parent Booster Club meetings will be held on the second Wednesdays of the month at 7pm.

Please discuss any financial hardships with coaches. We are more than willing to work with any family in need.
